**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has been a wonderful provider of phone and internet services, unlike any other in their customer service. I sincerely hope my access to them as a provider is not compromised.

I appreciate that I have a choice of who provides my service, so that I can choose the service that is best for me. I run a small business from my home and their service is crucial .

I had previous DSL service with Sonic before I switched to fiber.

I support broadband competition and hope to see it continue.

Thank you!

Abby Bard
